

## Admission Policy Statement

The School Board determines the policies of the school. Student, parents, and staff are expected to cooperate fully with the school policies as set forth in this policy.

### Admission Policy

- Before making application for admission, parents/guardians need to have read and agree to support the Statement of Faith. See the [link](#).
- Christian LIFE Academy Stuttgart exists to offer Christian education in a Christian environment while partnering with families to equip students to discover his/her given talents and how to use them as servant leaders in the world.
- CLAS is a non-profit, elementary school that offers excellence in education centered in Christ taught with materials approved by the Association of Christian Schools International (ACSI) and International Baccalaureate Primary Years Program.
- CLAS accepts students of all faiths. CLAS admits students of any race, national and ethnic origin to all the rights, privileges, programs and activities accorded or made available to CLAS students. We do not discriminate on the basis of sex, race, color, and national or ethnic origin in the administration of our educational policies and procedures in our school-administered programs.

- Acceptance of a student will be based on school records, a personal interview with parents and student, testing results, and/or recommendations concerning character, attitude, general promise, and spiritual development.
- CLAS is not equipped to accommodate the special needs of all children. With evaluation, review of a student's particular needs, and approval of the Administrator and teacher(s), students with exceptional physical, cognitive, language, or emotional needs may be accepted. Special needs students will be monitored and re-evaluated periodically.

### Enrollment Procedure

All families wishing to enroll must fill out an application and supply enrollment documents, see below checklist, which will then be followed by an interview with the Administrator. Prior to the interview, a student may be screened or tested to help determine his/her academic level and/or emotional maturity.

The Administrator will conduct a family interview to discuss the criteria listed above. If all other factors are satisfactory (ability to pay, provision of school records, and proof of a physical), the student(s) will be enrolled in school. Parents will be notified of acceptance or rejection.
