2021-2022 School Year

Dear Tuition Assistance Applicants:

Christian LIFE Academy e.V. distributes a limited amount of fund each school year to help families who cannot afford the full price of tuition for their child(ren) to attend the school. These funds have been provided by various donors who have desire to see as many children benefit from a Christian education as possible.

The Christian LIFE Academy e.V. (CLA) is a non-profit organisation who desires to enrol a talented and diverse student body in order to share God's dynamic message of hope and peace in Christ. And believe that the cost of tuition should not be a deterrent to prospective families. We believe in an education that will give a student a foundational truth to know their purpose and glorify God. We believe an investment in education from the Christian perspective will impact the generation and beyond.
